

EMPLOYEE IN COST PLANNING (F/M/X)

We manufacture lift, hinge, pull-out and pocket systems for furniture which are delivered to more than 120 markets. It is important that we stand for the entire company in terms of cost planning, analysis and reporting of variances. For this area, we are looking to reinforce our young and dynamic team.

YOU

- ... take responsibility for certain areas within the cost center planning
- ... act as a contact person regarding all cost planning topics
- ... analyze, document, and interpret cost variances
- ... actively work on projects and contribute to the improvement of processes and procedures
- ...

WE

- ... value established knowledge – you have a technical understanding with a technical or commercial education
- ... look for a person with analytical skills, who recognizes correlations based on numbers and the ability to create overviews of specific data
- ... assume that you are remarkably familiar with MS Office, especially Excel, and ideally with SAP
- ... are looking for a team-oriented member with effective communication skills, high initiative, and a goal-oriented work approach
