

HR BUSINESS PARTNER (F/M/X)

Blum, a family-owned company, produces lift, hinge, pull-out and pocket systems for furniture, which are supplied to **over 120 markets**. Our commitment to innovation and dedication to quality have earned us a global reputation. Our success hinges on our talented employees, who are our most valuable asset. Fun fact: We have **32 subsidiaries and representative offices** worldwide! We're seeking individuals who want to contribute to expanding our global network and play an active role in shaping its future.

YOU

- ... advise and support employees in a defined business area on HR matters throughout the entire **Employee Life Cycle**
- ... act as a **sparring partner** for executives in personnel-related decisions and actively listen to your clients' concerns
- ... take responsibility for implementing and further developing HR processes and strategies
- ... build **trustworthy relationships** and collaborate within a network between departments and HR experts
- ... recognize trends and actively contribute to projects related to the **Employee Life Cycle**

WE

- ... offer a challenging position as an **HR Business Partner** in a dynamic environment, fostering your personal and professional development
- ... value your ideas and contributions in an open and cooperative corporate culture, where you are involved in important projects from the start
- ... expect several years of professional experience in the HR field, along with a strong overview of HR processes, topics, and labor law
- ... emphasize good communication skills in both **German and English**, networking abilities, a hands-on mentality, self-responsibility, and conceptual skills
- ... are looking for motivated individuals with a pioneering spirit
