

EMPLOYEE FOR SNACK PREPARATION AND VENDING MACHINE REFILLING IN PART-TIME (50%) (F/M/X)

Are you looking for a position with attractive working hours, a regular schedule, and fair compensation (payment according to the Metal Collective Agreement at €3289 gross/month for 100%)? Then apply as a team member for our employee catering.

YOU

- ... receive snack orders through an online ordering software
- ... prepare fresh snacks for our employees and deliver them to various pickup stations
- ... clean and refill our hot beverage and snack vending machines, independently ordering the necessary food items via computer
- ... distribute internal mail within the factory

WE

- ... seek an individual who handles food responsibly and sensitively – having training and/or professional experience in food retail or gastronomy is advantageous
- ... look for a flexible person who alternates weekly between working at headquarters and Factory 4 and is mobile
- ... highly value our daily work environment – you are a team player and willingly step in for your colleagues when needed
- ... create schedules four weeks in advance – you should be available for morning shifts from 05:00 to 09:00 or afternoon shifts from 14:00 to 18:00, as well as occasional Saturday mornings
