

E-COMMERCE MANAGER (F/M/X)

The family-owned company Blum produces flap, hinge, pull-out, and pocket systems for furniture, which are delivered to over 120 markets. We employ more than 9,300 people, with over 6,800 of them located in Vorarlberg by Lake Constance, our home base.

For our Digital Marketing & Touchpoints, E-Commerce group, we are seeking ambitious candidates who are eager to embrace the challenges in the E-Commerce sector.

YOU

- ... are responsible for the development and expansion of our B2B e-commerce shop and play a significant role in the e-commerce strategy
- ... identify data-driven challenges in the customer journey, integrating market requirements accordingly
- ... create user stories, prioritize features with a 360-degree logic, always keeping our customers as the focal point
- ... are the link between departments such as sales, IT, and logistics and coordinate our external partners
- ... manage to break down complex challenges and take charge of their implementation
- ... are the primary contact in day-to-day business for different specialized areas and keep a firm grip on tasks
- ... have a pragmatic hands-on mentality and a detail-oriented approach to work

WE

- ... value solid education – a completed degree in business administration, ideally with a focus on Digital Business, or a comparable qualification is necessary
- ... require professional experience in the e-commerce sector to fulfill the associated tasks
- ... appreciate knowledge in project management – ideally, you are a Scrum Master or have acquired other PM skills
- ... work cross-functionally and network with many other departments – you are communicative and can explain complex interrelations understandably in both German and English
- ... are looking for a self-reliant team player who persists on topics long-term with stamina and pushes new subjects forward
