

ELECTRICIAN FOR BUILDING TECHNOLOGY IN REGULAR WORKING HOURS (F/M/X)

Blum is a family-owned company with 6 production sites in Vorarlberg. Did you know that we produce millions of hinge, pull-out, flap, and pocket systems for furniture every week, which are shipped worldwide? Here in Vorarlberg, our production staff from over 60 different nations work on high-tech machinery.

YOU

- ... are an industrial electrician for building and electrical installations
- ... will not be thrown in at the deep end and will receive full support during the training period
- ... assist us with the recurring ÖVE (Austrian Electrotechnical Association) inspections, and document your findings
- ... work on the maintenance of our building services equipment

WE

- ... value good expertise – you have successfully completed an apprenticeship in the field of electrical installation
- ... are constantly developing – you are motivated and willing to learn new things
- ... encourage personal responsibility and independence
- ... are looking for a team member who enjoys working in a team and is open to others
