

IT-CONTROLLER (F/M/X)

Blum manufactures lift, hinge, pull-out and pocket systems for furniture, which are supplied to **over 120 markets**. Did you know that our IT department has over **320 employees**, making it nearly the size of a separate large-scale company? This entails management control tasks, for which we need your active support – following the motto: “Run IT like a business.

YOU

- ... are pioneering the development of modern IT controlling - while doing so, you are guided by the concept of the Business Radar
- ... maintain an overview of our IT portfolio by establishing appropriate metrics
- ... optimize and manage our IT financial processes, and act as the "financial conscience" ensuring transparent cost accounting
- ... help us to weigh the available solution options from a financial perspective in the complex world of IT

WE

- ... value good education - you already have professional experience and/or relevant education in the business field as well as an affinity for IT
- ... want to make the contribution of IT more visible - with a good sense for numbers, you support us in this endeavor
- ... operate internationally - your communication skills in both German and English are convincing
